EXPERIENCE

Ahura Technosoft LLP. May 2022 - Aug 2022

I interned at this company as a Game Programmer and Designer, where I worked on the game "SLY GUY". It s a story-based game with multiple levels, unique designs, and features. The game revolves around a thief who has stolen money from a bank and needs to escape without getting caught by security guards or cameras.

PROJECTS

Space Ranger:

Designer And Artist Dec 2021 - Mar 2022

A 2D top down shooter game made with unit

DICE RACER

gamplayprogramer Jul 2022 - Jul 2022

Dice racer is a 3d board game.This game totally works on dice its a racing game so according to rolled dice value cars will move forward and whoever crosses the finish line first will win

SLY GUY

Designer Jul 2022 - Jul 2022

It is a story base game that will have many levels with different design and different features, In this game player will be a thief who is inside the bank with stolen money, So he have to escape from the bank without getting noticed by security guard or cameras

MapsAR

Programmer and Designer Dec 2022 - Mar 2023

It is and application that shows India's map and if we aim the point on a particular state then it shows the information of that state.
